The attention of mariners is directed to the notice by the Acting Harbour Master, Commander Ramsey, in another column, that the buoy marking the wreck of the late Police sloop has been temporarily removed.

The Captain of the German ship *Anker*, which has arrived at Singapore, reports having passed the British barque *Charlotte*, from Franschhoek, W.A., to Hongkong, in the Banda Straits, which vessel desired to be reported all well.

The *Opium*, with new arrivals to Amoy, having reached the port on the 14th June, having accomplished the distance from Woosung in seven days eighteen hours. The *Glory*, which arrived at Singapore on the night of the 30th May, accomplished the distance in seven days four hours.

The band of "The Hufu" will play at the Opera House this evening, commencing at eight o'clock. The following is the programme—Concerto March: "Le Prophete"; Marches: "Mozart"; "Vivaldi"; "Aida"; "Aida"; "L'Amour et la Mort"; "Light"; "Huitaine Selection"; "Boccherini"; "Sarpa"; "Gavotte"; "Imperial"; "Fantaisie".

Another murder was committed in the colony last night. The victim was a gardener at Wong-ni-chong. Four men are believed to have been concerned in the affair, one of whom was arrested. Details of the affair had not been received at the Central Station up to the time of our going to press.

We hear that two junks which were chartered to bring down cargo salvaged from the *Zouave* have disappeared. As there is no record of what they have met with any loss, it is assumed the crew have simply made off with the goods.
